REMARKS		
RETURN TO CIA LIBRARY		

The VAT (P 48/C 89) airfield (Location see Annex) was being used as pasture land. The level and stony landing field was serviceable for light planes. The hangar was destroyed.

[REDACTED] Comment:

a. The condition of the field was confirmed by two sources in [REDACTED] There are no indications that the field is being reconditioned. The field is not serviceable for occupation by an air unit.

b. The location of the field reproduced on the attached sketch agrees with previous reports.

- 2 Annexes: 1. Location of the VAT Airfield
2. VAT Airfield
